ACCOUNT NUMBER 50-0568

Applicant submitted the issue fee and publication fee via facsimile on January 30, 2006. A copy of this submission is enclosed as Exhibit A.

The docket clerk mistakenly sent this document to the previous facsimile number for acceptance of issue fees. The previous facsimile number had been coded into the facsimile machine for automatic transmittal. The docket clerk was not aware that a new facsimile number had been issued, therefore it was not coded into the machine. Although the fees were timely authorized and transmitted, they were not received by the Patent Office. It had been assumed that the documents were successfully transmitted until the docket clerk checked the status of the application on PAIR.

This Petition is being filed diligently upon Applicant's detection of clerical error.
